

Vintage, Racing & Sports Cars  
Buy, Sell, Trade, Consign & Broker

Fellow Car Enthusiast,

Let me introduce you to Vehinet, a vintage, racing and sports car dealer located in downtown Manchester, NH. Our showroom boasts a distinctive atmosphere for presenting enthusiast's cars, and is owned and operated by car enthusiasts that specialize in locating, consigning, inspecting and brokering distinctive and unique vehicles, both vintage and modern.

We feature vintage, racing and sports cars with the car fanatic in mind. If you can race it, we can find it. Whether your obsession is a Porsche 911, E-type Jaguar, Mercedes SL, MGA, BMW M1, Triumph TR6, or even a Fiat 500, we are the place to call on. Where can you trade a late model Acura NSX for a vintage Ferrari? Look no further. If you already have it and want to sell it, we buy many cars on the spot. If you want to get a bit more for your car, our consignment options can often get you a better price.

We work cooperatively and network with other car dealerships across the country. If you don't see it in the showroom or on the web don't hesitate to ask, since we maintain leads on many popular and unique vehicles. We also have relationships with many service mechanics who have been working on "vintage" vehicles since these vehicles were new and can point you in the right direction.

We are located at 15 Merrill St., just off Elm St. in Manchester NH a few blocks south of the Verizon Wireless Arena in a vintage 1900's renovated brick mill building with a 4,000 square foot, exclusively indoor, heated showroom with infrared video monitored security. Look for the barn red brick building with the green awning. Open 12-6 daily, by appointment or find us on the web at [www.vehinet.com](http://www.vehinet.com).

Sincerely,

Thomas Balon Jr.
